

**Question:** You stated at the bidder's conference that the CTS contract is for two years with possible continuation after two years. It also states that in the RFP text that it is for two years and a third year will be granted after satisfactory performance. However, the budget form only asks for one year's budget and the cover letter states that the project period is only for one year (Oct 1, 2009-June 30, 2010). I am aware that we will have to submit reports and make progress, but does that mean we will have to bid again? Are funds awarded in one lump sum or on a per year basis?

**Answer:** A vendor can be approved for up to 3 years.

This RFP provides not less than \$200,000 for the period from October 1, 2009 through June 30, 2011. We are requesting a budget for the period of October 1, 2009 through June 30, 2010.

The successful bidder will not be required to bid again.

Funds are awarded on a yearly basis.
